Phase out basic handle mat. 387924

Related Products

Roto Inline
Discontinued Product

Availability / Ordering ability

There are no more tools for the basic handle 387924, so that it can no longer be produced. Therefore, this must be removed from the program in the short term.

There is no direct replacement, only an alternative.

Alternative: 387923 BASISGETR. 20MM W.REINFORC. _SIL. The alternative has backset 20mm instead of backset 22mm.

When using the alternative basic handle, the drilling positions for the handle (handle screws and spindle) must be adapted to backset 20.

Phase out date: with immediate effect respectively remainders are used up

Spare parts: are not intended

Return shipments are not possible.
