Product Brand: Roto Solid

Phase out Solid B 150R changeover to new height adjustment

Related Products

Roto Solid
Discontinued Product

Availability / Ordering ability

The articles listed below will be removed from the program. There is a direct replacement.

The reason for the change is the introduction of a new height adjustment, which offers the following advantages:

- additionally enables the pin to be pulled downwards, so that the door can be unhinged even in low installation conditions
- positive HK effect, HK could be further reduced

Phase date: 04.02.2021

Spare parts: are not provided, the replacements can be used one-to-one

Return shipments are not possible!
