

Product Information

Product Brand: Roto NX

Changeover lever-operated espagnolette plus

Related Products

Roto NX
Discontinued Product

Availability / Ordering ability

The NX SFG+ has been optimised . The lever is more stable and easier to operate, and the spring is reinforced to hold the "open" position.
The previous 32 NX SFG+ articles are replaced by new articles.

The phased-out articles are deleted from RotoCon, catalogues and installation instructions on the last order entry date.

The maintenance of the alternatives or replacements is controlled via the product launch or the application.

Phase out date: 31.12.2022

Spare parts: are not intended

Return shipments are not possible!

Update 09.09.2022

Due to delivery problems with a half part of the replacement, the phase out date is postponed to 31.12.2022.

Update 10.08.2022

Some articles were not displayed in the English version of the PI. The article display was completed.

Update 01.07.2022

The articles 795487-795495 have been removed from the program with immediate effect.
KSR replacements are being set up. In the meantime, the SFG+ NT will be used.

Update 30.06.2022

The replacements for Mat. 795487-795495 was removed from the programme (WüMatSt 99).
KSR replacements will be created. Material no. will follow.

Update 27.05.2022

Article 896733 has been added.

Update 18.05.2022

Articles 795497 - 795505 have been added.
KSR alternatives have been added (see column G in the attached file).
