### Application range

The sash hinge part of three-part butt hinges can now be completely covered with a longer cover sleeve on request.

Particularly in the case of doors with a side panel, great importance is attached to the aesthetic aspect. Where the visible side adjustment interferes, the longer cover sleeves can be ordered additionally.

The cover sleeves are available in the Roto standard colours:

- RAL 9016
- RAL 8077
- RAL 7016
- RAL 9005
- R01.1
- STS-Optik
- Gold

Further colours can be ordered via the special colour number (SF).

#### **Please note:**

- When using the longer cover sleeve, the horizontal adjustment in the direction of the hinge is reduced!
- Horizontal adjustment with long cover sleeve: +3 / -2 mm

### Availability / Ordering ability

- Available for order immediately
- Available approx. 4 weeks after order
