

## Product Information

Product Brand: Roto NT

Phase out NT corner drives

### Related Products

Roto NT  
Discontinued Product

### Availability / Ordering ability

The phase-out DK corner drives are affected by the changeover to KSR espagnolettes and will therefore be removed from the program.

#### **Please note!**

The standard corner drive (1P/1V) is only an alternative in combination with the KSR espagnolettes. With constant espagnolettes the DK corner drive must always be used! See also the notes in the attached file!

The articles 260290 and 635287 are changed to SEMI-finished parts and are no longer available from April 30th, 2024!

Phase out date: 30.04.2024

Spare parts: A limited quantity is available for repairs in the spare parts service. ATTENTION higher prices!

Return deliveries are not possible.

Update 27.11.2023

5 articles (marked light blue in the file) have been added to the phase-out.
