

Product Information

Phase out Patio Lift locking pin

Overview

System

Sliding

Product

Roto Patio Lift

Hardware for versatile use in
Lift&Slide systems

Availability / Ordering ability

Description

The counterbores for the screws on the locking bolts have been enlarged so that the screw head is completely recessed in the locking bolt and no longer protrudes.

The predecessor articles have been removed from the program.

These are 1:1 replacements. The stock of the predecessors must be used up completely.

You will receive detailed information with the PEP PI in approx. week 34.

Phase out date: September 06th, 2024 respectively remainders are used up

Spare parts: are not intended

Returnshipments are not possible.
