

Product Information

Extractor handle for stay-bearing pin

Overview

System
Window

Product
Roto NX

The Tilt&Turn hardware system for windows and balcony doors shaping the industry once again

Availability / Ordering ability

Available after the previous extractor handle 899630 is sold out, April 2025.

Description

To increase the stability of the extractor handle, the square insert was designed to be continuous (see Illustration 1).

The article listed in the article list replaces the current extractor handle 899630.

Area of application (see image above):

2. for pressing in the stay-bearing pin and operating the espagnolette
3. for pressing out the stay-bearing pin
4. for pulling the stay-bearing pin
