Overview

System
Sliding

Product
Roto Patio Lift

Hardware for versatile use in
Lift&Slide systems

**Availability / Ordering
ability**

In stock in Leinfelden from
February 2025

Documentation

Changes will be updated in
the latest version of document
CTL_1.

Description

In the Roto Line handles for Patio Lift, the handle rosette and the mount for the square spindle have been changed.

In future, the mount with clamping insert for the square spindle will be supplied with screws and is intended to optimize the play in the square spindle.

Existing handles in CTL1 will be replaced by new handles. Old handles will be phased out.
