Door

Product
Roto Solid

Comprehensive range of door hinges

**Availability / Ordering
ability**

Description

If door hinges are required in a special surface finish that does not have a dedicated SAP number, the order can be placed using the special color article (SF). To further enhance our service for special color orders and enable more cost-efficient production, we will introduce a new quantity scale for door hinges in special colors starting 1 November 2025. New price and quantity scale: from 3 pieces from 6 pieces from 12 pieces from 24 pieces (exception: SF items with industrial packaging - minimum order quantity is 24 pieces) Required information when ordering : desired RAL color desired gloss level (standard: smooth semi-gloss) optional specification: plastic parts such as cover caps are black by default. If white is preferred, please indicate this in the order. This regulation applies to all door hinges manufactured at the production site in Kalsdorf: Roto Solid S | PS23 | PS27 | 150P | 89NN | 89NN-SR | 105NN | 105NN-SR Roto Solid B | 218P | 318P | 222P | 322P
