Description

The sale of Roto Safe A | A700 upgrade kits is temporarily suspended.

This affects the following article numbers:

2020867 A700 UPGRADE-KIT ANTRIEBSEINHEIT

2033809 A700 UPGRADE-KIT ANTRIEBSEINHEIT FUNK

Alternatively, the automatic locks can be ordered with a pre-assembled drive unit (E700).

A700 locks that are not created as E700 with pre-assembled drive unit (see article list for available variants) can be ordered using the following special number:

2027847 Sonder E700 2AH (Eneo A)

When ordering via the special number, please be sure to provide the following information:

- **Article number of the A700 lock**
- **Drive variant with or without radio receiver**
